

5th & 6th Girls Basketball 2016

An intramural basketball program will be offered to Rising Sun 5th and 6th grade girls. A student may enroll by filling in the registration form below and having their parent or guardian to sign. Registration forms must be completed before a student may begin to practice. All who attend practice on a regular basis will get to play in the games. No guests will be allowed at practices for any reason. Practices are for players and coaches only. For practice you'll need to wear gym shorts, a T-shirt, and gym shoes with nonmarking soles. Game shirts will be provided by the school and turned in after the last game. An extra shirt needs to be worn to the last game, so that game shirts can be collected and laundered. If any parent is interested in coaching please indicate this to me on this form. Return the bottom portion no later than 12-18-15. No late forms will be accepted. Practice will begin after Christmas Break. Pick up a practice schedule from the office On game day we would appreciate a dollar donation from each person attending. The money is used to pay the students that help.
